Kathy and Laura -

Attached below is a draft NEPA/404 MOU for the BDCP that the lead agencies, the Corps and we have developed over the course of May and June. Its modeled after HSR. Its on a very fast track and I expect it could be ready for signature in early July. I'd like to get together with you to review what we expect to see once this is signed. I'm out June 29-July 15 but Erin Foresman and Tom Hagler have been immersed in this even more than I. - Karen
